Thank you for your kind gift of £60.51. We really appreciate this wonderful support and promise to make it count.

It's fantastic that you decided to support our work, especially at such an exciting time. We are currently funding over half of all the UK's research into cancer. And together with supporters like you we are making progress against over 200 types of cancer, bringing forward the day when all cancers are cured.

We know it won't be easy. We never forget the scale of the problem that we face. We never forget that one in two of us will still get cancer. And we never forget the damage that this disease can cause. But donations like yours give us hope that there can be a better future for millions of cancer patients.

If you have chosen to hear from us, we'll keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 1022 or at supporter.services@cancer.org.uk to let us know. If there is anything else we can do for you please call us on the number above or you can visit us at www.cruk.org.

Yours sincerely,

Charlotte Bound
